AICUP CAMPUS LEADERS FORUM

JUNE 2021

IT / Infrastructure Track

June 7
11:15-12:15 PM

NCFTA CYBER SECURITY COLLABORATIVE NCFTA

AICUP partners with the National Cyber-Forensics & Training Alliance (NCFTA) to create a collaborative to procure certain cyber-security services by hiring a dedicated analyst to support the review, creation and editing of policies in an effort to ensure continued improvement in becoming more resilient to threats as well as better prepared for third party assessments. NCFTA is a 501(c)3 not-for-profit corporation that facilitates collaboration between industries, academia and law enforcement to effectively identify and address complex cyber related threats.

June 10
2:00-3:00 PM

CAMPUS MASTER PLANNING-PHASE III NEEDS ANALYSIS: A QUALITATIVE APPROACH KIMMEL BOGRETTE

For this session, the focus will be on PHASE III of the Campus Master Planning option in the AMP program. This session will combine the mission and goals of a sample university with the existing constraints and variables, as previously explored in Phase II, to generate a project-oriented action plan with specific spatial, functional and aesthetic goals.

June 10
3:30-4:30 PM

INTERNATIONAL ESPORTS AND ACADEMIC DEVELOPMENT SHI INTERNATIONAL

This session will give a high-level overview of the application of Esports in classrooms as well as professional development opportunities that administrators and faculty can offer to students. The role of connected learning, equity, digital citizenship and Esports majors will also be covered.

June 14
2:00-3:00 PM

STRATEGIC PLANNING INSIGHTS - ALIGNING TECH PLANNING AND STUDENT SUCCESS APOGEE

While schools did a remarkable job pivoting online, our report underscores how important it is to align technology to pedagogical and student outcome initiatives to deliver exceptional blended learning experiences. In addition to the discussion, we will make available targeted info from the report, pulling content in relation to size, type, and location of institutions.
